Hi fellow Club Members:

I returned from an out of town trip just in time to write my article for this month's Forum. This time of year is slow for our Club since we are finished with the running season and many of our thoughts turn to taking a vacation over the summer. School is out as well and I know many of you will have your hands full keeping an eye on your kids during the summer break. If you are still interested in doing some local 5k's in the upcoming few weeks, there are the July 4th races put on by Ft Lauderdale Road Runners in Deerfield Beach on June 30th and Split Second Timing in Weston on July 4th. These are both great events.

I am already in talks with Cardinal Gibbons High School in Ft Lauderdale about using their facility for our annual track meet in July 2012. This year, I am aiming for a Saturday morning start time of 8 AM for our track meet. This way, we avoid the afternoon showers that always seem to plague our track meet. So far, I am waiting to see if the school will decide whether or not their asphalt track is going to be replaced with a rubberized track this summer. If they proceed with the track renovation, then we will have to look for another location for our summer track meet. I will keep you updated.

Nova Southeastern University has established the date of the next Shark Shuffle 5k Run/Walk. It will be held on Sunday October 14, 2012 at 7:30 AM at the NSU campus in Davie, FL. This year's event will feature a slightly different 5k route than last year's event. Applications for the event should be available sometime in August 2012. As soon as I have them available, I will notify everyone from our Club.

I am still working on other running events we might be managing in the fall of 2012. As soon as I get final confirmation of our involvement with these events, I will let all of you know.

See you on the roads, Ralph Guijarro
