

JOIN THE CLUB ... continued

Finding out about local run clubs is as easy as stopping in your local running store or going online. Many of these clubs offer coaching services and store discounts to their members. Running can be a lonely sport at times, but it doesn't have to be. For those who enjoy the company, a run club is a great place to meet and train with like-minded athletes. Hope to see you out there.

Please feel free to send me feedback on this article or suggest future topics or runners of interest in the local community by contacting me at sdwest1102@yahoo.com or messaging me on Facebook.
