Our first Five Guys 5K/10K was a great success this year with over 500 runners to benefit the YMCA of Boca Raton and the Larry Davis Scholarship Fund. Special thanks to Dan Huck at Five Guys for being the title sponsor and giving away free burgers to all participants at local Five Guys after the event. We now have over \$5,000 that may be awarded in scholarships this year to local high school seniors from schools in Broward/Palm Beach County. Please see our website www.runnersedgefoundation.org to print the application which are due by May 1st. Larry's life and drive largely revolved around his fondness to take to the streets in his favorite sneakers, and with this scholarship we hope to help students who share his enthusiasm for running pursue their goals. The scholarship is not designed for the fastest runner necessarily but for the runner that shares Larry's passion to do your best. March and April have more great events coming up so please support our charity events!
