April will wrap up the busiest month in the history of our organization with five events. So far our events in 2013 have raised over \$175,000 to various South Florida charities including Autism Speaks, Brain Cancer, YMCA, Palm Beach Sheriff's Office, Gumbo Limbo, Quest Camp for special needs children, Boca Helping Hands, Caridad Center, Melanoma Foundation & more. Thank you to all our dedicated volunteers, staff and supporters! We look forward to awarding our 2nd annual Larry Davis Scholarship next month to deserving high school seniors to pursue a college education. Please pass the word if you know of any high school seniors who share a passion for running and would like to apply by May 15th. We are also releasing our new foundation website this month so please check it out at [www.runnersedgefoundation.org](http://www.runnersedgefoundation.org) for all our upcoming events!

## Larry Davis Running Scholarship Deadline May 15th, 2013

- High School Seniors Only Palm Beach/Broward County
- *This scholarship will be given in the name of Larry Davis. Larry passed away in 2012 from Mesothelioma, an incurable cancer linked to asbestos exposure. As he courageously battled this deadly disease, Larry's love of running kept his spirits high. He ran track through out high school and began competing in marathons in the late 70's, running in two of the country's most prestigious marathons, Boston and New York, numerous times. Larry was a familiar competitor at races all over South Florida, winning in his division on many occasions. Larry's life and drive largely revolved around his fondness to take to the streets in his favorite sneakers, and with this scholarship we hope to help students who share his enthusiasm for running pursue their goals.*
- [www.runnersedgefoundation.org](http://www.runnersedgefoundation.org) for application.
- Information: Tom Vladimir 561-361-1950
- Scholarships up to \$2,500 per student.

Applicants must be a senior in high school and a runner (but need not be a fast one) and live in Broward or Palm Beach County currently. They should have an above average GPA and be involved in community activities or volunteering.
