

## 2015 WARRIOR RUNNING CAMP SCHOLARSHIP

Thank you to all on the Palm Beach Roadrunners Team for enabling me to attend the Warrior Running Camp this year. I had so much fun at the camp, I learned a lot, and overall my team and I had an amazing experience. Thank you so much!!

Also, I love your Palm Beach Roadrunners Shirts. I'm currently designing the T-Shirts for my school's XC team

and I'm wondering where you get your shirts printed or buy them. Thank you so much for your help in advance and again thank you for the scholarship!

Palm Beach Roadrunners awarded Running Camp Scholarships to 21 area high school students this past month.

"Dear Mr. Walk and Palm Beach Roadrunners,

"Thank you so much for the scholarship to the Warrior Running Camp. I had a wonderful time! I learned a lot about running and how to be both a better teammate as well as a leader. The instructors were very knowledgeable and taught me new running techniques and form. I enjoyed being able to spend time with people who share my same interests. I made a lot of new friends and bonded with my teammates. I learned many new things that I will share

with my cross country and track team. Thank you for giving me an opportunity that I otherwise may not have had. I really appreciate your generosity and the opportunity to attend the Warrior Running Camp.

"Thank you for a great week and one that I will never forget.

"Sincerely,  
"Julia Volpi"
