

WARRIOR RUNNING CAMP 2016

Dear Palm Beach Roadrunners Staff,

I would like to thank you for giving me the ability to attend the Warrior Running Camp for a third time by choosing me for the generous scholarship! I enjoyed every second of the time I spent there; every step on the run was beautiful and filled with energy, and I learned a lot from the coaches, the junior counselors, and the other campers there. I would love to share my experience with you or other runners if you would like me to, and please let me know if you ever need any help at races, events, or with promoting the scholarship or Palm Beach Roadrunners. I would be glad to help!

Thank you so much again!! I very much appreciate your generosity!
Sincerely,
Annie Allmark

Dear Palm Beach Roadrunners,

Thank you so much for the scholarship to the Warrior Running Camp. I had so much fun, and had many opportunities to learn a variety of ways to improve my running. Camp was a great way to meet other runners from throughout Florida, which was an exciting new experience for me. I'm so grateful your scholarship enabled me to go to camp, I really appreciated it. :)

Sincerely,
Katie Berndt"
