

Palm Beach RoadRunners Looking to Improve Your Experience

The 2017 PBRR Board recently held a planning meeting to review the Club's Mission and Goals.

As a volunteer driven organization our Mission has been to provide race opportunities, training options, education and a social environment to create positive running relationships with fellow runners.

In addition, the club expanded it's mission to provide financial support and encouragement and development of young runners through the Annual Warrior Running Camp as well as charitable contributions to area charities such as Girls on The Run, Gulfstream Goodwill, HomePlace, Church Pantry as well as others.

We hope as a member of our club you have participated in one of the area training runs held weekly, raced in our three signature races, attended one of our many socials or just met a few new good friends through the club.

Our goal in the growth of the club is to develop a much stronger

relationship with other area running clubs and running apparel organizations as well as offer ongoing beneficial education and online information to help you as a runner be aware of everything going on in Palm Beach County in the running environment.

We plan to offer a variety of social formal and informal events to help runners meet and train with other runners. We hope to be your resource for fun and community service as an area Palm Beach runner. We welcome you to communicate with us via facebook, phone call or email in signature page to share your interests, suggestions or questions to help us improve our service to the running community. Please share your thoughts.

Frans De Calonne at Key West Half Marathon

Kristen DeSimone & Jennifer Sober
