

Warrior Camp 2017

Once again Palm Beach Roadrunners sponsored 19 area High School runners to attend a week long running camp in Central Florida. Our goal is to help improve and develop local young adults in their pursuit of running. Many of these sponsor runners have successfully developed their interest in running to achieve college scholarships. We are very proud of this year's selected group of great kids.

Rogue Run / North County; July 26th

Local Roadrunners met at Twisted Trunk Brewery on July 26th for a North County spontaneous Rogue Run. The largest of the Rogue Runs so far, over 20 North County runners showed up for a very warm run, followed by a random "Dock Dive" and cold beverages and great meet and greet at Twisted Trunk Brewery. Look for announcement for one more Rogue Run before the fall running schedule kicks in.

Do you know local business owners that would benefit from appearing at and sponsoring our upcoming races? (Run 4 The Pies, Classics By The Sea) Hundreds of people from our area participate and spectate, this is a powerful way to promote a company and its offerings. Contact dave@palmbeachroadrunners.com for more info.
